

## Rights and options for the IMPACT Club members

- IMPACT Club members are entitled to discount on all training and mentor programs as well as the use of the IMPACT Center services during the period of one year after joining in (i.e. the first participation in the training program or use of the IMPACT Center services and payment of the annual membership fee).
- If a member participates again in a training program or again uses the IMPACT services during his/her first year of membership, this member is entitled to the extension of his/her member discount entitlement for another one-year-period.
- If the IMPACT Club member doesn't profit from his/her discount entitlement during his/her first year of membership (doesn't participate in training programs and doesn't use the IMPACT Center services), s/he loses his/her discount entitlement and pays the full price of training programs and services.
- IMPACT Club members can access the database only by using the user-name and password that were allocated to them. This user-name and password are intended for members-only and are not transferable to other legal entities.
- IMPACT Club members are entitled to use the IMPACT web page [www.impact-center.eu](http://www.impact-center.eu) for disseminating information on their public activities and projects and to forward IMPACT Center information to their partners.
